INCREASING AFFORDABLE HOUSING AND REGIONAL HOUSING OPPORTUNITY IN NEW ENGLAND: PERSPECTIVES ON THE OCCASION OF THE THIRTIETH ANNIVERSARY OF THE MASSACHUSETTS COMPREHENSIVE PERMIT LAW: A SELECTED BIBLIOGRAPHY

BONNIE L. KONESKI-WHITE*

This Bibliography covers the relevant state materials, e.g., statutes, regulations, cases, articles, chapters in books, books, and reports for states that were discussed during the Housing Conference. Additionally, the “general” section lists articles, books, reports, etc. that present an in-depth discussion of affordable housing.

Although the Bibliography refers to federal materials, the emphasis is on the states. Federal materials were referenced only when that connection was important for thoroughness.

* Director, Western New England College School of Law Library. I would like to thank Michele Dill LaRose and Patricia Newcombe, my Library colleagues, for their assistance with this Bibliography and for all their support.
